

Calisto[®] 540

Enjoy the convenience of a traditional desk phone to manage PC calls

The Calisto 540 USB desk phone bridges the gap between traditional phone functionality and PC communications. A backlit LCD display shows incoming caller ID, time and user's online status. The integrated speakerphone and headset option provides hands-free convenience, without compromising the PC audio clarity.

Key features

Eases the transition to PC calling:

- Familiar keypad design puts users at ease
- Speakerphone and headset port for hands-free options
- Optimized for Microsoft[®] Office Communicator 2007 R2

Excellent audio quality:

- Wideband for best PC audio telephony
- SoundGuard[®] technology provides protection against audio spikes

User-friendly design:

- Simple plug-and-play USB connection
- No AC power supply required

Backed by Plantronics global service and support
