

Streams music and podcasts

Fights noise and wind

Extended battery life

plantronics®

Hear it all—calls, music, and more.

M50™

The Plantronics M50 Bluetooth® headset streams audio from your smartphone and makes every call worry-free with an extended battery life, whispered talk-time alerts and noise reduction features.

M50™

Make your mobile life easier. Streaming audio, extended battery life, whispered talk-time alerts and noise reduction make every call worry-free. Avoid recharging even longer by using the power switch between calls, and if you have an iPhone®, you can monitor battery life on screen. So talk freely knowing you have the time you need and the technology you want.

MAKES CALLS WORRY-FREE

- Streams tunes, podcasts and more from smartphones
- Fights noise and wind
- iPhone displays headset battery meter
- Power switch lets you extend battery life
- Voice alerts tell you talk time, volume, connection and more
- Pair two phones and take a call from either one
- Comfortably fits either ear
- Works with Bluetooth® phones

CONNECT TO YOUR PHONE

Video Tutorial: plantronics.com/pairing

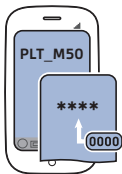

1. READY

First time, right out of the box: With the headset turned off, activate Bluetooth pairing mode by sliding Power switch on. The LED flashes red/blue to indicate pairing mode.

2. SET

Activate the Bluetooth feature on your phone, then get phone to add / search / discover new Bluetooth devices.

3. CONNECT

Select "PLT_M50" from the list of Bluetooth devices shown on your phone. If phone asks for a passcode, enter four zeros (0000). You may see **** on screen. Some phones also ask to confirm headset connection after pairing. Headset LED will stop flashing red/blue once successfully paired/connected.
