

# MX100

## Cellular Headset

### Comfortable, Discreet and Stable. Sounds Good. Stays Put.

- **Comfort Fit**  
The unique Flex Grip™ design produces an exceptionally stable, comfortable fit and allows for one-handed placement in the ear.
- **Superior Sound Clarity**  
Plantronics' AcuSpeak™ technology allows you to be heard in almost any environment.
- **Discreet Style**  
You talked; we listened. The MX100 design is based on feedback from multiple research efforts. Consumers we asked felt strongly about having a discreet yet stable headset — the MX100 is the answer.
- **Custom Covers**  
Customize your headset with three interchangeable color covers included with the MX100 Cellular headset.
- **Three Variants**  
Plantronics offers three variants of the MX100: one with a standard 2.5mm plug and two that plug directly into Nokia® phones (see back for details). Nokia variants feature a call answer/end button.

# MX100

## Cellular Headset

**PLANTRONICS**  
World Leader in Communications Headsets

### Plantronics MX100 Cellular Headset allows you to:

- Easily place in the ear with one hand.
- Perform multiple tasks without the headset falling out of the ear.
- Drive safely with both hands on the wheel.
- Talk longer without phone cradle discomfort.
- Hear and be heard in almost any environment.

### MX100 Series Key Features

- Flex Grip™ design provides a uniquely stable and comfortable fit to the ear.
- AcuSpeak™ technology allows for clear conversations in almost any environment.
- Three interchangeable color covers are included for customization.
- Call answer/end button (Nokia variants only).

### Important Adapter Information

**MX100** Compatible with most headset-ready cellular phones including Motorola®, Samsung®, Audiovox®, and Kyocera®. Headset adapter required if your cellular phone does not have a headset jack.

**MX103-N1** Connects directly to your Nokia® 3300, 6500, 8200, 8300, 8800, series phone.

**MX103-N2** Connects directly to your Nokia® 5100/6100/7100 series and 3285 phone.
