Corded reliability that's ready when
you are

Blackwire® 500 Series

Premium audio, all-day comfort and intuitive call management.

Blackwire® 500 Series

The Blackwire® 500 Series corded USB headsets with Smart Sensor technology intuitively help you manage PC calls – simply put the headset on to answer a call and you'll hear every word thanks to its premium wideband audio quality. And with ultra-soft leatherette ear cushions and a lightweight headband, you'll enjoy all-day comfort and a secure fit. When work takes you on-the-go, simply fold the ear cushions flat, and store in the included carrying case. Durable and portable, the Blackwire® 500 Series offers all-day comfort for juggling PC calls and multi-media – providing corded reliability that's ready when you are.

INNOVATIVE, USER-FRIENDLY DESIGN

- Smart Sensor technology lets you answer a call by simply putting on the headset
- One-touch call answer/end, vol +/-, and mute
- Inline indicator lights and user friendly audio alerts the user to connection, mute and volume status

PREMIUM PC AUDIO

- Dynamic EQ automatically adjusts audio settings between voice calls and music
- Enjoy hi-fi stereo sound (C520) for unmatched audio clarity when listening to multi-media
- PC wideband audio with noise-canceling microphones for high-quality PC telephony
- Digital Signal Processing (DSP) provides natural voice sound

INCLUDED ACCESSORIES

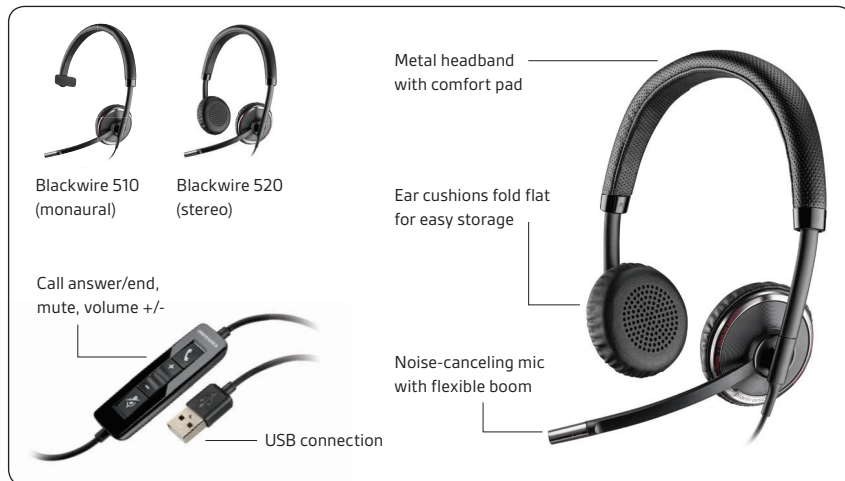

- Carrying case for easy storage and portability
