

# Jabra Evolve 40

## Engineered to boost efficiency. Professional corded headset. Enhanced productivity.

### Professional sound for growing businesses

#### Never miss a call

Jabra Evolve 40 is a professional headset designed to help you focus and improve your conversations.

#### Passive Noise Cancellation

Noise-cancelling microphone eliminates background noise and reduces high-frequency sounds.

#### Intuitive control unit

Get easy access to the most used functions, like volume and mute. You can also answer and end calls quickly and easily, directly from the control unit.

#### Plug and Play setup

Works straight out of the box. Installation is as easy as simply plugging it in to the USB or USB-C port on your laptop. The Jabra Evolve 40 has a 3.5mm jack which can also be used for smart devices.

#### All day comfort

Built for style and comfort with soft leatherette ear cushions. Adjustable headband lets you find the perfect fit.

At a glance:

#### Jabra Evolve 40

- Find inspiration between calls. Enjoy your music with amazing sound throughout the day
- Stay in the zone and avoid interruptions. Integrated busylight notifies colleagues to avoid interruptions
- Flexible connectivity. Connect using USB or jack
