

Jabra GN

Jabra Evolve 75 Engineered to free your concentration.

The best wireless headset for concentration in the open office*

The Evolve 75 is a wireless headset with superior Active Noise Cancellation and integrated busylight to enhance your productivity.

Outstanding sound for calls and music

HD Voice for your calls, and world-class speakers for music, deliver outstanding audio with crystal-clear clarity.

Reduce noise and interruptions

Block out noise and stay focused in the open office with superior ANC and an integrated busylight that acts as a 'do not disturb' sign for your colleagues.

More freedom

Dual Bluetooth® connectivity to two devices at the same time for calls and music, with the flexibility to move up to 100ft/30m away from your connected device.

At a glance:

*Jabra.com/ANC

How to connect

PC

The headset and the USB dongle are pre-paired and ready for use.

Smartphone

Switch on Bluetooth pairing and then follow the voice-guided instructions in the headset.

How to use

Listen-in
Listen to your surroundings without taking off your headset.

Active Noise Cancellation
Eliminate unwanted background noise at the touch of a button.

Charging
Use the USB cable or charging stand. The charging stand should be plugged into a powered USB port on your PC, docking station, or wall charger.

It takes approx. 2 hours to fully charge the headset.
