

HP Poly Focus 625 Stereo Bluetooth Headset (C56XPAA)

Overview

Comfort and focus, wherever work happens

Stay focused and in control wherever you work. With clear calls, enhanced noise reduction¹, and a slim design that's easy to wear all day, this headset helps you stay productive—whether you're on back-to-backs, heads-down, or just listening in.

Designed to move with you

Look sharp and stay comfortable, in meetings or on the move. A slim design with a hideaway boom creates a clean, modern look, while soft cushions and an ergonomic headband support all-day wear. Lightweight and easy to take wherever work happens.

Take on the day. Uninterrupted.

Experience a headset that's built to keep up. Up to 25 hours^[2] of talk time, generous wireless range, and intuitive controls give you the freedom to move and the confidence to stay connected from the first call to the last.

Create a focus zone

Hear and be heard clearly wherever you work. Four noise-cancelling mics with enhanced noise reduction^[1] and Hybrid Active Noise Cancellation (ANC) block distractions to keep calls clear, while spatial audio creates an immersive experience for music and media.

TCO Certified, generation 10

The HP Poly Focus 625 headset is certified according to TCO Certified^[3]. This product meets a wide scope of sustainability criteria, covering both environmental and social responsibility in the supply chain and throughout the product life cycle.

Features

Comfort with an ergonomic fit

Ear cushions that match your natural ear shape and an ergonomic headband, featuring a pressure-relief gap for better pressure point distribution for a more comfortable fit all day.

Advanced Voice Noise Control

Four noise-cancelling mics featuring Acoustic Fence 2.0 technology with enhanced noise reduction^[1] capture your voice clearly and block distractions, delivering a consistently excellent audio experience.

Clear calls and audio

Hybrid active noise cancellation uses microphones both inside and outside of the ear cups to reduce background noise, while Transparency mode lets you stay aware of your surroundings.

Spatial audio

Spatial audio recreates how we hear in the real world by placing sound in front of, behind, above, and beside you—not just left and right. Voices and media feel more natural and lifelike, reducing ear fatigue and supporting focus all day.

Intuitive headset controls

Smarter ways to stay in control to make daily use simple. A tactile jog wheel adjusts the volume, and smart sensors automatically answer calls or pause music.

Durable design

Lightweight, low-profile stereo design delivers a more comfortable fit. Extend headset life with replaceable batteries and ear cushions, sold separately.

[1] Acoustic Fence 2.0 with enhanced noise reduction builds on previous implementations of Acoustic Fence technology to further reduce nearby distracting sounds, making background noise less perceptible to the far end.

[2] Up to 25 hours of talk time with Active Noise Cancellation (ANC) and Online Indicator turned on. Up to 30 hours of talk time with Active Noise Cancellation (ANC) and Online Indicator turned off.

Specifications

Audio Features	Hybrid Active noise cancellation (ANC); Transparency mode; Microsoft Teams Open Office certified; Acoustic Fence 2.0 with enhanced noise reduction
Product Dimensions (metric)	180 x 150 x 50 mm
Product Dimensions (imperial)	7.1 x 5.9 x 2 in
Weight (metric)	208 g
Weight (imperial)	0.46 lb
Package Dimensions (metric)	214 x 186 x 45 mm
Package Weight (metric)	380 g
Battery Life	Up to 25 hours (talk time, ANC and online indicator on); Up to 30 hours (talk time, ANC and online indicator off); Up to 42 hours (listen time, ANC on and online indicator off); Up to 52 hours (listen time, ANC and online indicator off)
Battery Recharge Time	Approximately 10 minutes of wired charge delivers up to 4 hours (talk time, ANC and online indicator off); Approximately 10 minutes of wired charge delivers up to 6 hours (listen time, ANC and online indicator off)
Special Features	Smart sensor technology; Replaceable battery; Swappable ear cushions; Wireless charging; AI voice commands; Non-foldable
Sustainability Specifications	Plastic-free packaging
UPC Number	(ABB) 199485857909; (AC3) 199485857916; (B13) 199485857923
Manufacturer Warranty	HP Poly standard two-year limited warranty
What Is In The Box	Wireless headset; Travel pouch; BT700 Bluetooth® Type-C® adapter; USB Type-C® charging cable; USB Type-C® to USB Type-A adapter; Quick start guide; Warranty card

Additional specifications

Acoustic Protection Technology	SoundGuard Digital ^[1]
Battery Description	Rechargeable Li-ion
Bluetooth Version	Bluetooth® (qualified against Bluetooth® Core 5.4)
Bluetooth® Adapter	BT700
Boom Mic Length (imperial)	0.23 ft
Boom Mic Length (metric)	70 mm
Boom Mic Rotation	135°
Button User Controls	Mute; Volume +/-; Microsoft Teams; Call answer/ignore/end; Play/pause/track forward/back; Power on/off/pairing; Voice Assistant; ANC/Transparency mode; Call hold/resume
Cable Length (imperial)	3.9 ft
Cable Length (metric)	1.2 m
Cartons Per Layer	12
Cartons Per Pallet	72 (air); 96 (ocean/ground)
Certified Collaboration Software	Microsoft Teams certified; Google Meet certified; Zoom Workplace Headset certified; Zoom Workplace Contact Center certified; Microsoft Teams Native Bluetooth® certified
Charging	Cable
Charging Plug	USB Type-C® to USB Type-C®
Color	Black
Compatible Operating Systems	Windows 11; Windows 10; macOS; Chrome OS™; iPadOS; Android™; iOS
Connection Type	USB Type-C®/A
Connection Type	Wireless: Bluetooth®, USB Type-C® BT700, USB Type-C®/A adapter
Connectivity	BT700

Ear Cushions	Artificial leather (surface material); Foam (padding material)
Headphone Type	On-ear (stereo)
Impedance	33 ohms
Indicator Light	On call; Do not disturb

Layers Per Pallet	6 (air); 8 (ocean/ground)
Management Software	HP Poly Studio App
Master Carton Dimension (imperial)	18.9 x 7.8 x 9.05 in
Master Carton Dimension (metric)	479 x 198 x 230 mm
Master Carton Weight (imperial)	10.4 lb
Master Carton Weight (metric)	4.7 kg
Microphone Bandwidth	35 Hz to 21 kHz
Microphone Type	Digital MEMS
Multiple Order Quantity	10
Multipoint Technology	Yes, connects to two devices at the same time
Nominal Sound Pressure Level	72 dB SPL
Number of Microphones	6 (2 TX, 2 TX/ANC, 2 ANC)
Package Dimensions (imperial)	8.4 x 7.3 x 1.8 in
Package Weight (imperial)	0.84 lb
Paired Devices	Up to 10
Pallet Dimensions (imperial)	4.7 x 3.9 x 6 in (air); 4.7 x 3.9 x 7.8 in (ocean/ground)
Pallet Dimensions (metric)	120 x 100 x 152.5 cm (air); 120 x 100 x 198.5 cm (ocean/ground)
Pallet Weight (imperial)	759.5 lb (air); 1045.4 lb (ocean/ground)
Pallet Weight (metric)	344.5 kg (air); 474.2 kg (ocean/ground)
Products Per Pallet	720 (air); 960 (ocean/ground)
Products per Pallet Layer	120 (air); 120 (ocean/ground)
Rotate Mic Boom to Mute	Yes
Sensitivity (Microphone)	-37 dB +/- 3 dB
Sensitivity (Speaker)	132 dB SPL
Signal-To-Noise Ratio	> 68.5 dB
Speaker Bandwidth	20 Hz to 20 kHz
Speaker Size	32 mm
Supported Bluetooth Profiles	AVDTP 1.3; AVRCP 1.6; HFP 1.8; HSP 1.2; A2DP 1.3.2
TCO Certified	TCO Certified, generation 10
UC Compatibility	Universal
UNSPSC Code	43191638
Voice Alerts	Volume maximum; Volume minimum; Mute on; Mute off; Muted; Connection status; Battery low; Battery medium; Battery high
Voice Assistant	Siri; Google
Voice Commands	Answer; Ignore

Wearing Style	Stereo
Wireless Range	Up to 50 m
Wireless Range (imperial)	Up to 164 ft

[1] HP Poly SoundGuard Digital includes G616 anti-startle protection which limits the noise level to below 102 dB SPL and is compliant to the Australian Communications Industry Forum (ACIF) G616 recommendation; HP Poly owned proprietary Advanced Audio Limiter, compliant to ACIF G616; and Average Daily Noise Exposure that measures and controls sound to prevent the Average Daily Noise Exposure from exceeding 80 dBA or 85 dBA time-weighted average (TWA). HP Poly Studio App is required to enable SoundGuard Digital features. HP Poly SoundGuard protects against Acoustic Shock by limiting sounds to below 118 dBA. This feature is enabled by default and is not a user configurable feature.
