HP Poly Edge V Expansion Module (C93ZSAA)

Overview

Expand Your View

Expand contacts, lines, and visibility on compatible HP Poly Edge V Series desk phones[1] with a plug-and-play expansion module designed for high-volume calling environments.

More Contacts at a Glance

Support high-volume calling environments with expanded access to contacts directly from your desk phone.

Scales with Your Needs

Support compatible HP Poly Edge V Series desk phones[1] by adding one or more expansion modules for extended call handling and contact visibility.

Plug-and-Play Expansion

Setup is simple with plug-and-play connectivity. Power and signaling are provided by the host phone, with no separate power source required.

Features

Improved User Experience

5-inch color LCD display with LED backlights and a 2-position adjustable desk stand to support a comfortable desktop experience.

Dedicated Line Keys

22 dedicated line keys and 3 pages provide access to up to 66 contacts and lines per expansion module.

Plug-and-Play Setup

Power and signaling are provided by the host phone. Includes two USB Type-C® ports with up to 5Gbps signaling rate (host mode).

---

[1] Compatible with select HP Poly Edge V Series desk phones. HP Poly Edge V400, Edge V450 and Edge V650 phones support up to one expansion module. HP Poly Edge V800 and Edge V850 phones support up to two expansion modules. Sold separately.

Specifications
