ProductSheet

HP Poly Edge V800 OpenSIP DeskPhone with Power Supply No Radio (C93ZMAA)

Smart. Secure. Built for every call.

The HP Poly Edge V Series Open SIP desk phones deliver professional sound, security, and built-in emergency features. Easy to deploy and even easier to trust—they give IT peace of mind and teams confidence in every conversation.

Engineered for better conversations
Designed for incredible call clarity, the HP Poly Edge V Series Open SIP desk phones ensure high-quality sound and reduce background noise for better calls, in busy office environments.

End-to-end security
The HP Poly Edge V Series Open SIP desk phones include a Trusted Security Module (TSM) for enhanced hardware and data protection—giving IT teams confidence that these phones are protected across the phone's lifecycle.

Fast, discrete, and secure.
Give teams the assurance to alert security with a single button, keeping the call hidden from the interface to protect the user and those nearby. The HP Poly Edge V Series Open SIP desk phones include built-in emergency features designed for speed and discretion.

Featuring

Screen and line support
Effortlessly handle multiple calls with reliable multi-line office phones. Get 12-line keys supporting up to 48 lines, features, and contacts on a 5” color display, and 6-line keys on the 2.4" secondary color display.

HP Poly NoiseBlockAI tech
Effectively eliminate background noise once and for all. HP Poly NoiseBlockAI uses AI and machine learning to identify and block noises ranging from barking dogs to keyboard typing, ensuring a distraction free call.

HP Poly Acoustic Fence tech
Keep the focus on the conversation in a defined zone with HP Poly Acoustic Fence technology. By creating an invisible audio boundary during calls and reducing any voices and noise outside of that zone, voices are heard with clarity.

Quick status indicators
Stay informed with style. These desk phones come packed with intuitive multi color status indicators with RGB mixing with a halo around the screen.

Accessibility features
The HP Poly Edge V Series desk phones offer improved accessibility with a text-to-speech feature, screen adjustments for color blindness, and larger font settings.

Specifications

Operating System Software	Linux®
Panel Technology	Color LCD
Audio Features	Poly HD Voice; Full duplex audio; Echo cancellation; Poly NoiseBlockAI technology; Acoustic Fence technology
Product Dimensions W x D x H (metric)	222.87 x 212.73 x 60.04 mm
Product Dimensions W x D x H (imperial)	8.77 x 8.38 x 2.36 in
Weight (metric)	0.62 kg
Weight (imperial)	1.37 lb
Package Dimensions W x D x H (metric)	255 x 304 x 85 mm
Package Dimensions W x D x H (imperial)	10.04 x 11.97 x 3.35 in
Package Weight (metric)	1.19 kg
Package Weight (imperial)	2.62 lb
